

NVS-100PTZ PTZ Server Controller

- (1) Ethernet (RJ45)
- (2) RS-232
- (3) Power Input
- (4) Video In
- (5) Video Out

Compact and Reliable network video server by Embedded LINUX
Stable and Compact Sized 1 CH Video Web Server
High Frame Rate with Superior Video Quality (max.30fps/M-JPEG)
Various Image Size Support – 640x480, 320x240, 160x120
Powerful PTZ Function with Various Protocol
1ch Loop-Through Video Output for CCTV Monitor,VCR,DVR, etc.
Pure WEB based Monitoring Solution – Web Browser view, i-Pro Multi viewer (up to 16CH.)
Simultaneous 16CH Remote Recording with Client Software (i-Pro)
Remote System management : Configuration and Upgrade
Digital Input 2 / Output 2 (Optional Alarm In/Out Module Required)
To use P/T/Z or Zoom cameras, All CCTV cameras

SPECIFICATION

ITEMS		NVS – 100PTZ
Hardware	CPU	32Bit RISE Processor
	OS	Embedded Linux
	Flash Memory	8MB
	RAM	16MB
Viewer		Web Brower Based Monitoring
Network	Protocol	TCP/IP, HTTP, FTP, SMTP, PPP, UDP and More
	Interface	10/100 base-T Ethernet(RJ-45)
Compression	Algorithm	M-JPEG
	Rate	1/10~1/200
Video	Input	1CH, NTSC/ PAL
	Output	1CH, NTSC/ PAL
	Size	640X480, 320X240, 160X120
	Frame Rate	30 frame/sec (320x240)
Pan/Tilt Control		RS-485 (RS-232C TTL – Zoom only)
Power		DC12V/ 500mA
Dimension		98(W) x 27(H) x 100(L)m including bracket
Weight		Approx 150g
